Re: City Products Corporation

Dear Sir and Brother:

In reply to your letter of July 13, 1962, City Products Corporation does business as Benjamin Franklin Stores in this area. Our Local Union No. 598 has an organizing program in progress at this time.

In Imperial County, California, City Products has three vacuum cooling plants doing business as Crystal Ice. Carl Windschanz, Secretary of Local Union No. 630 has promised to mail you a copy of the current agreement covering these plants as soon as one is available.

Sincerely and fraternally,

*John M. Annand*

Dear Sir and Brother:

Back in May, the enclosed questionnaire was sent out to our local unions in connection with the compiling of information regarding City Products Corporation. To date, we have not heard from your area and we thought perhaps your local was inadvertently omitted in the mailing.

It is our understanding that there is a Butler Brothers warehouse in Stow, Ohio, which is under contract to your local union. We will greatly appreciate your complying with the enclosed questionnaire at your earliest convenience.

Fraternally yours,
